HIGHLIGHTS

Complete drum kit microphone pack

Including five dynamic and two condenser overhead microphones for an array of applications

Microphones optimally tuned

To work in harmony

Includes all microphone clamps and stand adapters

Allowing a quick and easy set up

Roadworthy, rugged aluminum carrying case

Offering portable protection to store microphones and accessories

KEY MESSAGE

The Drum Set Session I is a high performance drum microphone set and the ideal all-in-one starter kit that delivers an impressive combination of performance and value. With seven microphones and accessories packed in a durable aluminum carrying case, it provides all the essentials needed to capture a complete drum set. It can also be used for miking percussion, bass and guitar amps, brass, woodwinds and other instruments. All microphones are from the Perception Live series and feature a durable metal casing, rugged spring steel microphone grill, scratch-resistant finish and high maximum SPL capabilities.

CONTENTS

P2 bass drum microphone

2 x P17* for overheads

4 x P4 for toms and snare

*The P17 is technically identical to the P170 and is not available as a single unit.
